

February 2018

To Whom It May Concern:

The St. Vincent Foundation is honored to be the beneficiary of the 5th Annual Harley Owners Group Indianapolis Chapter No. 1 Toy Ride on Saturday, November 10, 2018 to benefit Peyton Manning Children's Hospital at St. Vincent. Last year, the H.O.G. Indianapolis Chapter No. 1 collected over 6,700 books and toys, in addition to 49 gift cards and \$18,000 in monetary donations to support the kids and families in the hospital.

Peyton Manning Children's Hospital at St. Vincent is a family-centered, high-quality pediatric hospital providing a unique and extraordinary experience of physical, emotional and spiritual care for infants, children and young adults. The Children's Hospital continues to build a world-class pediatric program offering specialized medical care and a comprehensive medical staff to help children and families in our community. As a full service Children's Hospital, we treat the most seriously ill children and depend on philanthropy to help support many of our special pediatric programs and services.

On behalf of Peyton Manning Children's Hospital at St. Vincent and all of the children and families we serve, thank you for your consideration! If you have any questions, please contact me at (317) 338-5095 or sara.homburg@ascension.org.

Sincerely,
